Дата 22.11.2022. 1:00

This report has been prepared by an authorized employee of DEKRA Automotive Ltd., and includes a visual expert examination.

No test drive was made as part of the examination, nor have vehicle parts been dismantled for inspection purposes.

The costs of parts and labor hours required for repair of unacceptable damages have been calculated according to the Eurotax table.

The examination of the vehicle was done in accordance with DEKRA standards, and the table of acceptable and unacceptable damages was used in the process.
